**ORDER**

This matter is before the court on defendant's MOTION TO RECONSIDER DENIAL OF DEFENDANT'S MOTION FOR LEAVE TO FILE AMENDED ANSWER (#44). Having considered the motion, brief, and evidence filed by the defendant, it still appears that the defendant was specifically advised over eight months ago that its answer did not include a bona-fide-error defense. The defendant did not timely move to amend its pleading and has not shown good cause for its failure to do so.

**IT IS ORDERED** that defendant's MOTION TO RECONSIDER (#44) is denied.

**DATED July 26, 2005.**
